RE: Statement of Generally Available Terms and Conditions (SGAT)
TRA Docket 97-00309

Dear Mr. Werner:

In the Authority's special conference on August 26, 2002, the TRA approved BellSouth's SGAT. The TRA Staff requested that we revise the format of this document to present this information like a tariff, to the extent possible.

As requested by the Staff, we are filing two paper copies and a CD copy of the SGAT in a tariff like format. All information in the SGAT is consistent with the information on file with the Authority as of August 26, 2002. This filing is for information only and does not require any further action by the Authority.

Since August 26, 2002, BellSouth has filed several revisions to the SGAT with the Authority, and the Authority has approved those filings. Consistent with the Staff's request, we are currently working on modifying the information contained in those later filings to reflect this tariff format and will be filing a revised document as information in the appropriate docket.

Please contact me at 214-3839 if there are any questions.

Sincerely,

Paul Stinson
